Dear Keith,

It was great meeting you to discuss *Live Like There's No Tomorrow* and Jill Jack. Your program concept is an excellent one. The topics of art, performance and perseverance are ones of interest in our area and we are pleased to include it in our broadcast plans.

Detroit Public TV is committed to covering local stories, including those surrounding the challenges and triumphs of metro Detroiters.

Public Television has always had a fine tradition of offering unique documentary programming like *Live Like There's No Tomorrow*. It is our sincere hope that working together this program will become part of that tradition.

I look forward to speaking with you again soon. In the meantime, I wish you the best of luck in finding production funding for your work.

Sincerely,
