Dear Keith,

We are proud to support your effort to produce "Our Vietnam Generation" film in 2010. The Vietnam Veterans have learned to take care of themselves and not to expect much support from anyone. So, it is with a heartfelt thank you that we stand ready to assist you and the business community that will support the making of this very important film about Vietnam Veterans.

As the only National Congressionally Charter Vietnam Veterans Service Organization, the Vietnam Veterans of America (VVA) has been the leading voice of the Vietnam Veteran since we formed in 1978. The Detroit Chapter formed in 1980 and they have been a leading force in the Veteran community since their inception. The VVA has 50 Chapters in Michigan and over 600 Chapters nationwide.

It doesn't seem possible to many of us that our Children and even our grandchildren are now serving in Iraq and Afghanistan, but they are. And we are the generation that has made sure that their service is honored by all Americans. Our founding motto: "Never again will one generation of Veterans abandon another" rings true everyday.

We feel your film will help explain that motto and more importantly give the viewing public an opportunity to understand the contributions and the sacrifices that the Vietnam Veteran made for our country.

Thank you for caring enough to lead this project.

Vietnam Veterans of America
